Mr. Joshua Gotbaum  
Director  
Pension Benefit Guaranty Corporation  
1200 K St., NW  
Washington, D.C. 20005

Dear Mr. Gotbaum:

We are writing to request that the Pension Benefit Guaranty Corporation (PBGC) provide us with an update on the status of final benefit determinations for the Delphi Salaried pension plan.

As you know, over 20,000 salaried retirees had their hard-earned retirement drastically reduced when the PBGC terminated their pensions in July 2009.

However, since that time, your agency has not yet produced final benefit determinations for plan participants. For too long, these retirees have withstood undue delays on the part of the PBGC to produce this determination. Swift, thorough, and accurate action is required to remedy this undue delay and to provide these individuals with the information and certainty they deserve.

Thank you for your timely attention to this matter, and please do not hesitate to contact us with any questions you may have.

Sincerely,

Michael R. Turner  
Member of Congress
