The Honorable Jacob J. Lew
Secretary
Department of Treasury
1500 Pennsylvania Ave., NW
Washington, DC 20220

Dear Secretary Lew:

As you know, senior Treasury officials met May 10, 2013 with the Delphi Salaried Retiree Association (DSRA) regarding the pensions of certain former employees and retirees of the Delphi Corporation. Officials from the Pension Benefit Guaranty Corporation (PBGC) also participated in this meeting.

I understand that in this meeting, the DSRA presented a new proposal to the Administration. I request that you or your staff please provide me an update on your efforts to seek a swift resolution of this matter.

Thank you for your continued efforts to work with the DSRA.

Sincerely,

Sherrod Brown
United States Senator
