**Washington, DC 20515**

June 24, 2009

The Honorable Timothy F. Geithner  
Secretary of the Treasury  
U.S. Department of Treasury  
1500 Pennsylvania Avenue, NW  
Washington, D.C. 20220

Dear Secretary Geithner:

We are writing in regards to the recent involvement by the U.S. Treasury Department's Automotive Task Force concerning the pension obligations of Delphi Corporation.

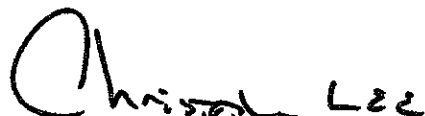

We are concerned about the inequitable decision to default the Delphi Corporation's salaried retiree pension plan to the Pension Benefit Guarantee Corporation (PBGC), while General Motors agreed to assume the auto parts supplier's hourly retiree pension obligations. Through referral to the PBGC, salaried retirees' pension payments are likely to be cut drastically, as much as 70 percent by some estimates. It is fundamentally unfair that two groups of retirees from the same company, who worked side-by-side for so many years, and who are faced with the same unfortunate situation, are being treated so differently by the federal government.

At a minimum, in the interest of transparency and accountability, we believe the 15,000 salaried Delphi retirees nationwide – not to mention the American taxpayers who now own a 60 percent stake in the new GM – deserve a full and public explanation of how this inequitable decision was made.

For this reason, we respectfully request that you direct the Auto Task Force to make public all documents concerning how this decision was reached, including all pertinent documents, written communications and memoranda between the Automotive Task Force, General Motors, Delphi Corporation and their agents or representatives.

Thank you for your urgent consideration of this important matter. We look forward to hearing from you.

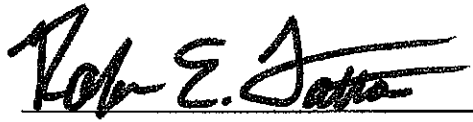

Sincerely,
